ABOUT US

OUR VISION

To be a company that's admired for our people, service and accountability, through creating sustainable added-value products and solutions.

OUR MISSION

To deliver products and services that are proven, give value for money, and will not harm people or the planet.

OUR STORY

Offshoot sprouted in 2012 as a family owned and operated business with on initial idea. **To deliver products and services that are proven, give value for money and will not hard people or the planet.** Through the years, we became aware of the effects products and packing could have on the environment, so we started to change our mindset towards sustainability.

We discovered that we could **offer sustainable products at cost effective pricing** for our customers. Instead of implementing long term contracts, we preferred to stick to **building relationships and offering real solutions that worked.**

Offshoot works with suppliers who provide sustainable products, options and outsourcing from Manufacturers that are environmentally conscious. This in turn allows for us to provide our customers with products that have **Environmental Ticks like ECNZ, FSC & PEFC**, giving them the confidence that when they purchase from us they, are doing the right by the country they live and work in.

SMART SOLUTIONS FOR YOUR BUSINESS 3

FREE DELIVERY

Email or Call us to open an account today, and get extra perks like access to Free Delivery and easy payment terms of 20th following. Opening an account with us takes 5 minutes of your time

FREE ON LOAN DISPENSERS

A full range of styles and colours available at your request to match your businesses style. Our dispensers are provided Free on Loan so there is no capital outlay involved

Our dispensers are both portable and wall mounted, providing a pleasing aesthetic feel for your customers and staff.

FREE MAINTENANCE

As well as the initial installation of dispensers, we want to make sure your dispensers always look good. Our maintenance program makes sure that you have access to replacement dispensers, extra keys and repairs of dispensers when necessary.

FREE INSTALLATIONS

We take the hassle out of the process of changing over to us. We uninstall old dispensers from your business and replace with our own ensuring a smooth change-over of suppliers.

We understand that our clients need the minimum amount of disruption possible, so we work alongside your needs.

AFTER SALES SUPPORT

As Customer Experience is our key objective, your account will be looked after by one of our team members. We ensure that you are looked after from the very first order.
